**Comment:** Dear Pat,

as a little boy, I have heard "Ice Cream" the first time, without knowing the singer. It was you in 1974, March 14th in Derby - Live in Pennine Hotel.

Never again I have heard the song as good as yours. When I discovered again N.-Orleans-Jazz in 1995, I recognized your voice. Then I knew: It was Pat on the radio in 1974.

Since that time, I have visited lots of concerts and I will be happy to hear you singing in April in Ravensburg. Congratulations to your bithday Be

**Comment:** I can't find words to adequately express the thanks I feel for all the joy & pleasure your playing has given me over 40 years. There have been so many British "trad" jazz trumpeters but your playing was & still is a bit special to me. You take risks, you always play so melodically, and interestingly, and I just love your sound. My particular favourite is a recording I have of "You took advantage of me" - just such a beautiful solo piece. THANK YOU.
