The Band appears at Ronnie Scotts Club in London for the week commencing Monday, 20th September as part of the promotion for the "Take Me Back to New Orleans" album which is now, at last, on general release in the U.K. The show will feature the brass band as well as the Intercity's Jazz Band.

On Tuesday, 14th September the Band records a B.B.C. Jazz Club at Maida Vale studios in London, complimentary tickets are available from this address on a 'first come first served' basis and only those applications enclosing self-addressed stamped envelopes will be processed. Requests for tickets should arrive by no later than Thursday 9th September and no correspondence will be entered into.

The B.B.C. 2 'Rhythm on 2' concerts recorded during June will be transmitted late October, specific dates are not available at the time of writing so the national press or Radio Times will be the best guide.
