CHRIS BARBER'S JAZZ & BLUES BAND

The transmission date of the B.B.C. Concerts in the "Rhythm on 2" series are now scheduled for December 21 and December 22. The Concerts were recorded at the Assembly Rooms, Derby during the Summer and this is the second possible transmission date advised, so we can only suggest that you watch out in the Radio Times for any further change!

The album recorded live at the Barbican in April of this year and entitled "Barber at the Barbican" is due for release during December, and although it is hoped that copies will be available during the December tour the official release date is December 15th - which just so happens to be the day on which the Band appears once again in concert at the Barbican.

The December tour finishes on 22nd December at the new St. David's Hall in Cardiff, where Otilie Patterson will be making one of her rare appearances as special guest.

The promoters at the Hugh Christie School, Tonbridge tell us that their Concerts on 3rd December are already sold out and they are unable to handle any further enquiries or ticket applications. At the time of writing there are still tickets available for the Hazlett Theatre at nearby Maidstone on 1st December.
