The New Sonet Album (SNTF 962) entitled 'Music From The Land of Dreams' is now released and SHOULD be available through most good shops. It is not the intention, initially, to have the record available at concerts so in case of difficulty please order the record from record shops and not from this address.

Roger Hill wishes to pass on his thanks to the numerous well-wishers who wrote to him on leaving the Band during the summer. The correspondence that he received was so vast that he feels it unlikely that he will get around to acknowledging each letter personally but hopes that his thanks transmitted this way will be acceptable to all concerned!
