Comment: I have been a fan of yours since my teens. I used to go to the Bodega club in Manchester in the late 50s. Now I am so proud that my son Mike is your new stage manager. I look forward to seeing you when you come to Aberdeen again later this year.

Comment: Since I first heard your fabulous music on a seafront juke-box on Margate sea front in 1955(when incidentally your records were played more than any others) I have been a dedicated follower. I was only 11 years old at the time,and my mother took me to see the band for the first time in September of that year. Many concerts and albums later I met Angie in 1966,and it was a case of "love me,love my Chris".No problem for Angie.Keep on Jazzing Chris.Happy birthday
