THE CHRIS BARBER'S JAZZ & BLUES BAND features at the World's Fair (New Orleans) and Toronto Festivals in May and June. Details of a package travel offer are enclosed with this Newsletter.

The next of the special 30th Anniversary Concert packages is at The Dome, Brighton on Monday, 23rd April, 1984. Later in the year, the Show is to be presented at The Repertory Theatre, Birmingham (Sunday, 9th December, 1984).

The new OTTILIE PATTERSON album, "Madam Blues and Dr. Jazz", is released this month on the Black Lion Label. The album comprises recent live recordings with the Chris Barber Band. It is available at concerts and through most record shops. In case of difficulty, copies can be ordered by mail at £6.50 (inc. postage and packing) but it is more likely that the most advantageous price will be obtained at concerts or shops.
