CHRIS BARBER NEWSLETTER

The release date of the new single "MUSIC FROM THE LAND OF DREAMS" (SONET/STORYVILLE SON 2293) was put back to 10th January - hence the difficulty experienced by those who attempted to obtain the disc in December! The record should have been available to order during the holiday season but there should now be no prolonged delay in obtaining the record. Please note that the single WILL NOT be available at concerts, or from this office.

The Bracknell concert (4th February) will be recorded by BBC RADIO for their "Sounds of Jazz" programme. The BBC are temporarily 'out of action' at their Maida Vale Studio, so there WILL NOT be free tickets available. Admission and ticket sales will be as for a normal public concert. The Bracknell show will, of course, be a full concert performance.

Although tickets (subject to availability) may be on sale on the night of the Logan Hall concert (2nd February), the theatre WILL NOT be handling advance sales. Enquiries for advance bookings should be made to representatives of the promoting charity - The Jewish Welfare Foundation who are:

COLIN FISHER - 01 935 4422  
S. SANDLER - 01 493 1613
