This is the final date before the summer break and the Band resumes at The Bude Festival on August 27th. Full dates for Aug/Sept to follow shortly.

Many jazz fans will remember Grimsby as one of the premier jazz venues of the North when the South Bank Jazz Club and the East Coast Jazz Festival hosted the likes of George Melly, Johnnie Dankworth, Tubby Hayes, Chris Barber, Acker Bilk and Kenny Ball. The South Bank Jazz Festival will relive those old times as well as bringing some of the new sounds of jazz to Grimsby. The Festival will be held at the King George V Stadium in a marquee complex fitted with a first class P.A. system. Refreshments and ample free parking will be available on site and there will also be some special entertainment for our younger patrons.

The South Bank Jazz Festival is part of the first ever Grimsby Festival.
